About Us

SAEINDIA is a Premier Professional society that serves the Mobility Engineering Community engaged in the design, manufacture and service of self propelled vehicles and systems that move in land, air and space.

It is an affiliate society of SAE International which is headquartered in USA with a glorious record of more than 100 years of service to the mobility community.

SAEINDIA is working closely with Society of Indian Automobile Manufacturers (SIAM), Automotive Component Manufacturers of India (ACMA) and American Society of Engineers of Indian Origin (ASEI) for spreading knowledge and relevant information to a wider cross section of the Indian community. It is also a member of International Federation of Automotive Engineering Societies (FISITA).

SAEINDIA has five sections, namely Northern, Eastern, Western, Bangalore and Southern. Southern section is the oldest and the strongest section. It covers Tamilnadu, Kerala and Andhra Pradesh.

About SAEINDIA Student Membership

SAEINDIA Southern Section has over 13000 student members in more than 83 collegiate clubs located Tamil Nadu, Kerala, Andhra Pradesh. Collegiate clubs provide practical exposure to a professional engineering society as well as focal point for campus engineering programs and projects. Applicants must be college/university students pursuing studies leading to any bachelor, masters, or doctoral degree. SAEINDIA membership is not open to high school students. SAEINDIA collegiate clubs offer student members organized programs and activities, fellowship, and leadership experience. SAE student members are also entitled to many of the services available to SAEINDIA regular members.

Benefits for students to join SAEINDIA

1. Free subscription to on-line magazines
Automotive Engineering, Aerospace Engineering and Off-highway These award winning magazines key in on hot topics about ground vehicle and aircraft developments, providing members with a valuable resource to help keep pace with rapidly changing technology in the mobility industry.

2. Free admission to lecture meetings

Student members are allowed to attend the regular

lecture programs at Chennai. Industry and academic experts of international repute deliver these lectures. We are also planning to record these and send it to clubs on request.

3. Discounts on registrations for major SAEINDIA meetings and exhibits

This unique SAE benefit puts members in touch with professional engineers and hardware suppliers who determine the future of expanding mobility industry worldwide. This is a valuable educational placement resource

4. Discounts on SAE technical papers and books including the SAE Handbook

These valuable research materials expand member's technical expertise on a variety of mobility related topics.

5. Discount on SAEINDIA Toptech training program

Student members get a handsome discount on fees for toptech training programs. In most cases they pay just about half of the regular fee. Faculty advisors are also given special discounts.

6. Free industry visits

Students are taken to the leading automotive companies. These visits give first hand information about the industrial environment.

7. Discount for transferring to regular membership

Members graduating from college can transfer into regular membership for only Rs.800.(Regular membership Rs 1400/year)

8. Priority project allocation for student projects

Automotive companies give preference for SAEINDIA student members in allocating industry projects and training and SAEINDIA membership is mandatory to participate in student competitions such as BAJA and Formula SAE. Pls refer to www.bajasaeindia.org for more details regarding the competitions.

9. Contacts and networking

Build friendships and future contacts with other engineering students and professionals from local SAEINDIA section, while participating in collegiate club programs and projects.

10. Scholarships

There are many scholarships to be won both at section level and national level. Student members are eligible to apply for some of the SAE International scholarship also.

HOW TO BECOME A STUDENT MEMBER?

Eligibility

Applicants must be college/university students pursuing

studies leading to any bachelor, masters, or doctoral degree. They may be in any year or semester of the course. SAEINDIA membership is not open to high school students and diploma students. A student can become a member even if there is no collegiate club in his/her college.

STUDENT MEMBERSHIP DETAILS

Student Membership Fee: **Rs. 250/-** per year.

Students can also join the 4 + 1 scheme & enroll themselves till one year after the passing out year.

The student 4+1 enrolment scheme is as follows:

At time of admission into

1st Year Rs.250 x 4 + 500 = Rs.1500/-

2nd Year Rs.250 x 3 + 600 = Rs.1350/-

3rd Year Rs.250 x 2 + 700 = Rs.1200/-

Final Year Rs.250 x 1 + 800 = Rs.1050/-

The membership card will be valid for a period of which the member is paying the subscriptions as stated above.

The Student gets a substantial monetary benefit if opts for the 4+1 scheme. If he joins normally after passing out, his membership starts at a fee of Rs 1100/- as against the above. Alternatively if the Institution collects Rs 1500/- during the first year, there is no further need for the collection process till the student passes out. The student also gets an additional year as benefit.

COLLEGIATE CLUB

Fifty or more student members (Individual application to be attached) and a list to be furnished with email particulars.

PURPOSE

Successful SAEINDIA collegiate clubs provide many benefits to their members and are assets to the engineering colleges where they are located. Collegiate clubs provide students with tangible contact with their future profession - engineering - and, in so doing, further the objectives of engineering education. The purpose of a SAEINDIA Collegiate Club is to increase the benefits of SAEINDIA student membership through special activities that includes affiliation with the sections. The students themselves through the elected officers administer college club affairs. Officers are counseled by the SAEINDIA faculty advisor and Vice Chair - Student activities. The collegiate club functions according to its Constitution and such general rules as may be outlined by the SAEINDIA Engineering Education Board & Students Activities Committee and the SAEINDIA Board of Directors.

WHY START AN SAEINDIA COLLEGIATE CLUB

A collegiate club is beneficial to the college and the section. A collegiate club

* Arranges for engineering authorities to provide informal

and informative meetings with students.

- * Stimulates student participation in projects that require the application of Engineering knowledge and promote professional growth.
- * Sponsors visits to industrial plants and engineering research centres.
- * Encourages students to prepare technical presentations for collegiate club meetings, section meetings and for entry in student level competitions.
- * Furthers informal contacts with engineers active in industry and government through joint meetings with the section.
- * Arranges presentation of industrial and government films which illustrate the application of engineering principles.
- * Provides students opportunities to gain experience in administering organizational activities, concluding meetings, taking part in committee activities and writing and speaking before groups.
- * Offers social programs that help develop lasting friendships between students themselves, the faculty and section members.
- * Provides additional exposure for members as well as clubs through the annual student design competitions and with the recognition and awards programs.
- * Gets complimentary copy of SAE International magazine of choice.
- * Gets some financial assistance from SAEINDIA towards partial cost of running the local activities.

REIMBURSEMENTS FROM SAEINDIA

In order to activate the Programs of the Collegiate Club, SAEINDIA reimburses sum of Rs 50/- (Fifty only) per student member to the Collegiate Club.

FACULTY ADVISOR MEMBERSHIP FEE

The annual membership fee is Rs. 1100/-

A faculty advisor and an additional faculty advisor should be SAEINDIA members. Both of them are required to guide the student members in running the affairs of the Collegiate Club. While the normal SAEINDIA member annual fee is Rs.1400/-, it is subsidised to Rs.1100/- for all teaching faculties.

Application

This form has to be attested either by the faculty advisor or by the head of the department. Completed application along with Cheque or Demand Draft should be sent to one of the following addresses:
