Fourth Edition - 2020

Off-Campus Graduate Engineers Recruitment Program

www.saeiss.org
About SAE International
SAE International is a 115 year old professional society based out of Philadelphia, USA, serving members from land, air and space. The mission of SAE International is to generate knowledge and share knowledge. SAE International has over 1,38,000 members from 110 countries. SAE International has programs for practicing engineers, college students and school children. These programs provide opportunities to members to learn, share, develop and connect.

About SAEINDIA
SAEINDIA is the largest affiliate of SAE International with more than 55,000 members. It has 4 sections, namely, Northern & Eastern, Western, Bengaluru and Southern Section. The sections provide last mile connectivity for the members. SAEINDIA conducts international and national conferences, professional development programs etc. for its members from industry and academia. It conducts Baja SAEINDIA and Supra SAEINDIA for student members. It conducts science, technology, engineering and mathematics programs for school children.

About SAEISS
SAEINDIA Southern Section (SAEISS) is the largest section in SAEINDIA with 28,000 members. SAEISS covers Kerala, Pondicherry, Tamil Nadu, Andhra Pradesh and Telangana. SAEISS has 12 divisions, namely, Chennai, Mahindra World City, Madurai, Erode, Coimbatore, Hosur, Cochin, Hyderabad, Tirunelveli, Oragadam, Amaravati and Tanjore to serve its members. SAEISS conducts programs for practicing engineers, namely, International Conference on Advances in Design, Materials, Manufacturing and Surface engineering (ADMMS), TOPTECH, Knowledge Round Table (KRT) competitions, Trek and Design Certificate for professional members. SAEISS has programs for student members, namely, Aero Design Challenge (ADC), Tractor Design Competition (TDC), Bicycle Design Competition (BDC), Electric Two Wheeler Design Competition (ETWDC), Student Convention, Student Knowledge Improvement Program (SKIP), Trek, Career Start etc.
Eligibility Criteria

- **Employers in automotive domain will be participating in Career Start 2020.**
- **Student members** meeting the following criteria can participate in Career Start 2020.
  - Valid SAEINDIA student membership
  - UG/PG (Engineering) graduation during 2019 or 2020
  - At least 12 SAE activity points from SAE activities (Activity points can be calculated online during student registration process)

Benefits for employers

- Pool of students in a single event site
- Freedom of choice
- No need to travel from campus to campus
- Premium quality engineering graduates
- Cost effective

Event Procedure

Student Registration Process
The students who meet the eligibility criteria can apply online through www.saeiss.org

Employer Registration Process
Employers can register online through www.saeiss.org

Written Tests
The written tests will be conducted at 5 locations which will be published later.

Final Event
The final event includes interviews and group discussions (as per employer’s criteria) which will be conducted in Chennai by SAEISS.

About SAEISS Career Start 2020
In order to connect the student members directly with the automotive industry, SAEISS is conducting an off-campus graduate recruitment program called SAEISS Career Start for the fourth time.

This program provides a great opportunity for the automotive industry to identify and select young, dynamic and bright automotive brains from a single platform.

The student members will be benefited by receiving offers for internship/job placements.
