The SAE TREK-09 was inaugurated at K.L.N COLLEGE OF ENGINEERING, Madurai on 28.3.2009.

41 Students from other colleges were participated, 9 students participated as an internal participants. The first day (28.03.2009) was started with brief introduction about SAE International and SAEINDIA by Mr.S.Selvamani, (Chairman–SAEISS) proceeded. Dr.R.Rajendran, (Student Activities Champion-SAEISS) divided the students into 9 teams. At 11 am Mr.S.Shangumam (Treasurer, SAEISS) gave the brief description about the day's activity of designing a Jet Toy, and volunteers distributed the materials to the Teams. Basic Jet tot chassis along with 2 axles and 4 wheels was designed by all the teams. Festing of body chassis target was to achieve 2.5m in a straight line. Principal and all the staff members had an interaction with the students. After the tea break the session started with 2<sup>nd</sup> design chasis with balloon & nozzle. Team's filled Jet Toy analysis data pages. Mr.Shangumam gave a lecture on Balloon powered vehicle with the types of nozzles. This helped the students to design and finish the testing of Balloon powered vehicle. Mr. Selvamani explained about how weight plays a role in balloon powered vehicle & how it affects the time.

On second day (29.3.2009) all the members of the SAE assembled on the campus at 7.00am. Everyone boarded the college bus and set out for a trekking expedition to puludh hills. The part of the expedition was exploration of nature. After lunch the students had free interaction with senior professional from reputed firms. A visit to the alagar temple was the final part of the outing .on the return the students from other colleges felt that visit to our college in this district with its natural beauty was really enjoyable. All the students received their participation certificate and parted with pleasant impressions.
