Significant learning:

DAY 1: ENGINEERING DESIGN PROCESS

The programme was started by 9.30 A.M. The programme was inaugurated by PROF.MR.LAKSHMANAN, HEAD OF THE DEPARTMENT, MECHANICAL ENGINEERING-SKCET. Welcome address was given by NARENDRAN (B.E MECHANICAL, SAE-OFFICE BEARER). The club conducted a seminar about "ENGINEERING DESIGN PROCESS". In the first day of the programme a guest lecture was given by MR.MOHANAKALIAPPAN on the topic "WHAT IS THE USE OF BEING A MEMBER IN SAE CLUB". In second session, the participants were splitted into 7 teams. Each team was started to design the chassis of vehicle. Each team came up with innovative idea. After the first session of designing chassis of vehicle, tea break is provided. The second session started with design chassis with balloon and nozzle. **Mr.C.SHANMUGAM** SAEINDIA SOUTHERN SECTION, AWIM Coordinator, Chennai gave a guest lecture about the balloon powered vehicle with the type of nozzles. Chief guest and the staffs had an interaction with the participants. This helped the student to design and finish the testing of balloon powered vehicle.

DAY 2: SAE Trek

On the second day (20.09.09) all the members of the SAE assembled on the campus at 7.00 AM. Everyone boarded the college bus and set out for a trekking expedition to TOPSLIP. The part of the expedition was exploration of nature. After lunch the students had an interaction with the senior professional from reputed firms. A visit to AALIYAR DAM & MONKEY FALLS was the final part of the outing. But it was the best one, because some people had a good bath in the falls. On the return the students from other colleges felt that visit to our college in this district with its natural beauty was really enjoyable. All the students received their participation certificate and parted with pleasant impressions. 28 Students from other colleges were participated. 15 students were participated as internal participants.
