

Place Visited: Ashok Leyland Ltd, Chennai.	
Date: 10 <sup>th</sup> March 2009	Time: 1.00 p. m – 3.00 p. m
Accompanying faculty: Mr. P. Murugan Jeppiaar Engineering College	
Persons met:	Mr. K. Purushothaman ( Training Officer)
Significant learning: <p>It was the time when we all lost our energy at 1 p. m., but the whole ASHOK LEYLAND unit refreshed all our minds. At we meet Mr. K. Purushothaman, he gave us the brief introduction about the company. In the span of three hours we visited two sections namely Engine section and Full vehicle assembly section. We started our visit by entering inside the engine section. At first we learned some basics about automobile and engine. Then they showed us each and every step in engine assembly. We learned about every part of the engine namely crank shaft, cam shaft, piston, cylinder. Now we can be able to create an engine assembly video, that kind of mind setup was created by them.</p> <p>Then we were taken to the Full vehicle assembly section, where all the workers shared their views on vehicle assembly with us. They showed us how all the parts are being mounted on the vehicle. They also shared about the ill effects in wrong mounting, which really thrilled all of us. We gained a lot of practical knowledge about automobile. In fact we studied those in text books, but now only we got a chance to see them. Besides we had good interaction with all the workers. We thank the whole ASHOK LEYLAND unit for the valuable session. Special thanks to SAEINDIA Southern Section</p>
