It was around 8 A.M students from various college reached the college campus. After having their breakfast, they were requested to be seated inside the auditorium. Then our guest of honor Mr. Shanmugam inaugurated the Vinayaga Missions Kirupananda Variar Collegiate club. He conveyed his regards to the whole team for conducting this program.

### **INAUGURATION OF COLT PROGRAM**

Following Dr. Rajendran, Vice chairman Student's activities champion inaugurated the COLT program by narrating the SAE vision and mission. He clearly explains the benefits and importance of SAE. Then Student Executive Council Members (SEC) took the responsibility for the next sessions.

### **SEC SESSIONS**

At first Mr. Sakthi Varman from Jeppiaar Engineering college explains the student activities in SAE like member enrolment, registering/renewal of collegiate club etc, with his power point presentation. That gives a clear cut idea for newly formed collegiate clubs.

Then Mr. Vengataramanan from Amirtha School of Engineering explains about Student convention'09, seminars guest lectures etc. Besides he invites each and every member to the student convention'09, as they are the hosting team for the convention'09.

Then Mr. Prashanth from PSG tech continued the session on event management skills, which covers time management, engaging the students etc, After these sessions the members had their feast which has been arranged by the college. Once again Mr. Prashanth continued the session with team dynamics by explaining the leadership qualities & team work.

Finally Mr. Dilip from Dr. Mahalingam College of Engineering and Technology ends the SEC session with his power point presentation on positive influencing team dynamics.

## IMPROVEMENTAL WORKSHOP

Then our beloved southern section chairman Mr. Selvamani enters into scene. Our chairman and Mr. Shanmugam look over the improvemental workshop. In that students from various colleges gave some valuable suggestions and feedbacks. At the very same moment they were all discussing about the action plan for improvemental workshop. Some students took the responsibility for solving the feedbacks.

## VOTE OF THANKS

At last Dr. Rajendran gives the vote of thanks. He thanked all SAE members who attended the program and also the HOD of the college for organizing such a program. A special thanks to SEC members who played a vital role in training program.

## Day 2: Trek

On the very next day with a great expectation all the members started their journey to yercaud foothills. They started their trekking towards yercaud hills by packing their breakfast. They walked around 12 K.M in a steep way through the hills, by passing through all the trees and different species of plants like pepper, beans etc, After four hours of walk they reached the top most part of the hills, when they reached the top most position, they felt that it was beyond their expectation, such an amazing climate and wonderful scenery. They enjoyed themselves by visiting to park, boat house etc. The two day program ends with a mouthwatering lunch. After finishing the lunch they packed themselves to their respective colleges.

With regards,  
R. Sakthi Varman
